

# Legacy Donation

We have started the Legacy Donation initiative to encourage students to support and inspire younger students, in your school, to follow in your entrepreneurial footsteps. We're asking BB Companies to consider donating 10% of your profits to help next year's company in the school, to start their business.

Total Sales

How much money did you make selling your product? =

Total Costs

What was the cost to produce your product(s)? =

Profit

Calculate: Sales - Costs =

Donation Due

Profit x 10% (minimum) =

This donation will be very much appreciated by the younger students in your school. This will help them to achieve the same valuable experience which you have received by taking part in the Business Beginnings Programme. Thank You.

*'Your Business Beginnings Company's 10% Legacy Donation can make a big difference'*
